HUSKIES LOSE LEAGUE GAME TO LOS GATOS

By GORDON KIBBY

The Los Gatos varsity, deadly enemies of Washington High, banged its way to a 12-0 victory over the Huskies last Friday. This was the opener of the Santa Clara Valley Athletic League season.

The Los Gatos Wildcats used a total of 13 men to collect their victory.

In the first quarter the Wildcats took the ball on the kickoff and started a march that threatened the Huskie goal. The eager Huskies, however, said No and the Los Gatos eleven gave up the ball on downs. The quarter ended with no score.

In the second the Wildcats again took over the ball and marched 70 yards to a touchdown, taking a lead they never lost. Panigetti's attempt for the extra point was blocked by the hard-charging Huskie line. Score at the end of the half, 6-0.

The third quarter was scoreless, with the Wildcats threatening our goal several times.

Midway in the fourth, disaster struck the Huskies when a fumble was recovered by the Wildcats. This set up the 'Cats for their second and final tally. In a series of running and passing plays they made their second tally of the game. The conversion try was partially blocked and no good.

In the line-up were Nakamura and Moser at ends, Querner and Morley at tackles, Goularte and Samarron at guards, Madsen at center. In the backfield: Smith and Rodrigues at halves, Chamness at quarter, and Alex Bernard at full.

Today the Huskies play San Jose Tech, new member of the S.C.V.A.L.

'B' TEAM BRINGS HOME BACON

On Thursday the Washington Puppies journeyed to Los Gatos and brought home their kitten in a 13-0 victory over the Los Gatos "B's". This was the first league game. They previously had beaten the Livermore reserves 38-0.

ANNEXATION VOTE WINS FOR NILES SANITARY DISTRICT

Voters last Monday decided by an overwhelming majority of ballots cast to annex the area northwest of Niles into the Niles Sanitary District.

Registered voters of both the present district and the area proposed to be annexed voted. The vote in the district was 43 to 1, in the proposed annexation 81 to 1. The vote was canvassed Wednesday evening by the sanitary board.

Approval of the annexation by the county board of supervisors is now necessary, after which surveying of the annexed area will be started.

FORMER NILES MAN RETIRES FROM PUBLISHING

Headlined on the front page of the September 29 issue of "The Humboldt Times" of Eureka, Calif., is the story of the retirement of J. H. Crothers from Eureka Newspapers, Inc.

Mr. Crothers, who was reared in Niles, is a brother of Mrs. F. T. Dusterberry, former Centerville woman who now resides in Palo Alto.

Inasmuch as Mr. Crothers is so kell known in this area, the Register is reprinting the story as it appeared in The Times.

On a January day more than 51 years ago a young man went to work for the San Francisco Bulletin. Fifteen years later this same young man arrived in Eureka to assume the management of The Humboldt Times, and to make Humboldt county his permanent home.

Today, after more than a half century of continuous service in the newspaper business, where he is recognized as one of the leading figures in the western publishing field, J. H. Crothers announced his retirement from that business.

HALF CENTRY OF SERVICE

In selecting his career, Crothers made his choice early in life, when he started to work for the San Francisco Bulletin on January 15, 1895. He remained with that newspaper for 15 years, the last five as business manager. Through his long association with the Bulletin, in one of the most colorful periods of San Francisco and California history, he learned the groundwork of a profession that was to carry him to a commanding position in the Northern California field.

Attracted by the opportunities offered by Humboldt county, Crothers came to Eureka in the year 1911, assuming the management of the Times.

EXPRESSES APPRECIATION

In bidding farewell to the profession with which he has been identified throughout his long and active career, Crothers expressed his grateful appreciation to the people of Eureka and Humboldt county for their splendid support and cooperation during his 36 years of activity in the local field.

ACTIVE CIVIC LEADER

Crothers' retirement also was felt in numerous civic circles, where he had been most active during his entire publishing career. For many years he has served, at alternate periods, as director of the Eureka Chamber of Commerce and on the board of the Redwood Empire association. Also he has been extremely active in all movements aimed at improvement of the city and the county. He was instrumental in founding the Humboldt Golf and Country Club and served at one time as its president. He is a member of the Eureka Rotary Club and the Eureka Lodge of Elks.

In addition to his publishing activities, Crothers has been a progressive leader in other lines of business, and has extensive real estate holdings, which he will continue to operate and manage. Recently he constructed a new building occupied by the Albers Milling company and at present has a building under construction on Second street which will be occupied by Herbert Bunker and the "Seven-Up" company. He has served as president of the Eureka Ice and Cold Storage company and vice-president of the Eureka Woolen Mills.

VETERAN APPOINTED MAINTENANCE MAN

Norman Rogers of Decoto has been appointed maintenance man for the Decoto Sanitary District, effective November 1.

He is an Army veteran and a former star athlete at Washington Union High School.

DRAFT BOARD IN NILES CLOSES AFTER SIX YEARS

After six years, the Selective Service Board at Niles will go into the limbo of things forgotten.

Just six years ago yesterday (Thursday) the draft board was born. It's life, though a comparative short one, was a hectic one. It experienced everything that life has to offer—pathos, humor, tragedy, heartache, and—yes—even joy (for was there ever joy as great as that of a mother or a wife whose son or husband, by some miracle, was not called to war?).

And now it is being laid to rest.

Next week its sole employee, Mrs. Marguerite Baxter, who has nursed it through its entire life, and the only one remaining here, will be transferred to one of the only two remaining draft boards in the county, the one at the Lakeview school at Van Buren and MacArthur boulevard in Okland. She wil stay there only a short while, however, and then resign, as the distance to her home in Livermore is too great to make the daily trip.

The doors of the Niles Selective Service Board will close next Tuesday or Wednesday.

Peace! It's wonderful!

ALAMEDA COUNTY BOYS SEPARATED MEET IN JAPAN

One of those peculiar little jokes that Fate plays once in a while on the human race, occurred to Cpl. Clarence Gomes of Alvarado, who returned Wednesday morning from Japan, having been there for over 16 months.

When Gomes made the trip over to Japan, he met a boy from Pleasanton, Edward Forbes. The boys took an instant liking to each other and enjoyed each other's company all the way across. They were separated in October of last year, and never expected to meet again.

And then—and here's where fate comes in—in October of this year, just a year later, they came face to face again at the relocation center in Yokahama. They were overjoyed at meeting each other after a lapse of a year, were fortunate in being returned to America together on the same ship, and since returning to Southern Alameda county, have renewed their firm friendship.

S. F. WATER CO. LENDS NILES LOT FOR PLAYGROUND

From all indications of what has been going on, "Old Town" in Niles has a good chance of becoming "New Town."

Ray Andrade, Boy Scout leader of Troop No. 1, this week began clearing up a lot to be used as a playground, not only for Scouts, but for all the children in "Old Town."

The lot was "loaned" to Andrade by the San Francisco Water Company to be used for the abovementioned purpose. The Niles fire department aided the project by burning down the dry grass and Kraftile Company assisted by donating bricks for paths.

The only thing lacking to complete the project is the assistance of some kind person with a tractor, as the lot needs leveling.

With the completion of the playground, Andrade is hopeful of starting baseball teams and other constructive sports, to draw all the children in that section together with common interests.

VETERANS MEET

With Commander George Boles presiding, the newly-formed Veterans of Foreign Wars, Post 8293, of Niles, held its first official meeting Tuesday night in the Veterans Memorial building.

Seven new members were initiated and sworn into the organization.

ALVARADO SCHOOL TO OPEN CAFETERIA

A seventy-five cent meal can be served to school children for fifteen cents if the people in a community will cooperate, L. Maffey, principal at Alvarado grammar school, declared this week. In line with his statement Mr. Maffey announced that the Alvarado school will begin the operation of a school cafeteria on Monday, October 21. He emphasized that the success of the program depends upon voluntary contributions from farmers and growers. This is explained by the fact that the federal government pays only nine cents toward each meal served. The school children pay fifteen cents, thus the balance of the cost of the meal must be made up out of voluntary contributions.

The school will be pleased to pick up any fruit, vegetables or other commodities that growers and farmers in the community have to contribute.

To illustrate what the children will be served, following is the menu for the first day: Italian noodles with hamburger, peas and carrots, bread, milk and ice cream.

Mrs. Mary Gastelum will manage the cafeteria in which 125 children will be served Monday. The Alvarado school has a total enrollment of 212. Of this number, approximately 100 children have indicated a desire to eat regularly in the cafeteria. An additional 50 will enjoy occasional meals there.

REVEREND ROSE PASSES AWAY

It was a great shock to the countless friends of Reverend Manuel Francis Rose to learn of his death this week. Reverend Rose, who was formerly an assistant pastor at St. Joseph's Church in Mission San Jose, passed away Sunday, October 13, at his home in Patterson, Calif.

At the time of his death, Rev. Rose was pastor of the Sacred Heart Church in Patterson. He is survived by his parents, Mr. and Mrs. August Rose of San Jose; his brothers, Frank and Clarence, and his sister, Marie, of San Jose.

Funeral services for the deceased were held at St. Mary's Cathedral in San Francisco on Wednesday, October 16. The body was laid to rest in the Calvary Cemetery in San Jose.

DRAMA SECTION TO BE KNOWN NOW AS HOME ARTS GROUP

No longer will the Drama Section of the Country Club of Washington Township be known as the Drama Section.

At the last meeting it was decided to change the name to the Home Arts Group.

The group of women, comprised mostly of younger members of the club, met at the home of Mrs. Allen Norris. Mmes. Logan and Goold were co-hostesses.

The evening's entertainment featured a reading of "The Glass Menagerie" by Mrs. Jack Rees.

FIVE TONS OF PAPER COLLECTED BY SCOUTS

The Niles Boy Scout Troop No. 1, under their leader, Ray Andrade, collected about five tons of paper in the drive last Sunday. This will help the boys pay for their uniforms.

Andrade wishes to thank the following for their cooperation: Donald Shanks of the Union Oil Co., for gas; the California Nursery for materials for shipping; and Pete Andrade for his truck.

COMMISSIONERS APPROVED FOR SCOUTING HERE

It was announced at last week's Southern District Boy Scout Executive Committee meeting held in Niles that John Cattaneo of Niles and George Scamman of Irvington had been appointed neighborhood commissioners for Scouting.

Cattaneo has served for several years in Troop 2 of Niles, lately as scoutmaster. He was given much praise for his own troop work and for organizing the new Niles Boy Scout troop. In recognition of his achievements he has been named a neighborhood commissioner for Niles and Decoto. Without the aid of Fred Duffie, however, Cattaneo said he would not have been able to carry on.

George Scamman, for many years chairman of the Boy Scout committee of Irvington Troop 1 and long active in Scout work throughout Washington Township, will serve as neighborhood commissioner for Irvington and Newark Scout units.

Phillip Sousa, assistant district commissioner for Washington township, in making the appointments, announced that this completed the commissioner staff for the area. Sousa will continue to serve Centerville and Alvarado.

CENTERVILLE HAS STREET CLEAN-UP

The streets of Centerville are as clean as a dutch kitchen this week as the result of a clean-up which was realized through the cooperative efforts of the Chamber of Commerce and independent business men of that community.

Twenty-four Centerville men turned out at the crack of dawn last Sunday and proceded to clean up every stray bit of paper and miscellaneous debris. After two hours of industrious labor, several truckloads of waste were gathered and hauled away in trucks furnished by Williams Brothers and L&V Farm Sales.

M. W. Lewis, chairman of the voluntary project, stated this week that the Chamber of Commerce had long recognized the need of an intensive clean-up campaign. He urged that the public cooperate in maintaining cleaner streets so that future wars on dirt and filth will not have to be declared.

In line with their efforts to present a neater community, the businessmen of Centerville have arranged for the delivery of a street-cleaning machine.

PLANS MADE FOR NIGHT FOOTBALL

If present plans materialize, the Washington Union High School will have flood lights for future night football games. School officials hope to secure materials for installation of the lights through government channels.

If installed, the lights would undoubtedly make possible other night athletic events.

Night football has been popularized throughout the United States both in amateur and professional circles. Primary reason for its universal appeal is the fact that larger crowds, made up of sport fans who are unable to attend day contests, are attracted to night games.

DECOTO BOY SCOUTS REORGANIZE TROOP

The Decoto Boy Scout committee under the chairmanship of Manuel Seaone this week completed organization to renew its Scouting activities. The application for a Scout Troop charter was completed. It was announced that Pat Luna would serve as Scoutmaster and that meetings of the troop would be held at the Decoto grammar school.

Members present included Seaone, A. L. Costa, Fred G. Sanchez, Bernie Joseph and Mr. Falletti, acting president of the Decoto Chamber of Commerce, sponsors of the Decoto Boy Scout Troop. Phil Sousa, John Cattaneo and Fred Duffie, all Washington Area Boy Scout commissioners were present to assist the committee in renewing their organization. It was planned to have Decoto Scouts attend the areawide Court of Honor to be held in Niles on Oct. 30.

RETURN WITH DEER

Returning home this week with a very large deer were Joe Machado of Newark and Manuel Amaral of Irvington. The two hunters spent several days stalking their prey in Tehama county.

Gov. Warren Accepts Honorary Chairmanship Of Sesquicentennial

Governor Earl Warren has been named as honorary chairman of the Mission San Jose Sesquicentennial.

This was announced this week by Father Renault, Sesquicentennial chairman, after he, in the company of Messrs Hynes and Cunha, had attended a luncheon meeting Friday at the St. Francis Hotel in San Francisco to hear plans discussed by prominent Californians for the coming pageants and celebrations which will mark California's one-hundredth anniversary.

Governor Warren accepted the honorary chairmanship at this meeting, which means, in effect, that the Sesquicentennial celebration has been given another boost on its way to becoming one of the biggest events in California next year.

One disappointment that came to light at the Friday affair was the announcement by members of the State Chamber of Commerce that they have already taken steps to have a coin minted, commemorating California's Centennial; so this means, probably, that any hopes that Mission San Jose residents had of having a special coin minted commemorating their celebration will have to go by the board.

FULL COOPERATION

Aside from this disappointment, the encouragement given our local representatives was more than gratifying. They were promised the full cooperation of the State Chamber of Commerce as well as the cooperation of historical societies and county officials.

Already, tentative plans are under way to enlist the services of some of the ablest men in the county to sit in on an advisory board for the Sesquicentennial. W. K. Knowland will probably be one of these, as well as a University of California professor, as yet unnamed, who is especially versed in the history of the county and in the presentation of historical facts in appropriate and entertaining ways.

Further discussion of plans for the Sesquicentennial got under way last Wednesday evening at the Mission San Jose grammar school, when Father Renault presided for the first time, having accepted the responsibility of chairmanship of the committee in the place of Lois Justus who resigned, feeling that the time had come when a man should take over. A letter of thanks and gratitude to Mrs. Justus, for all the groundwork she has done, is on its way to her from members of the committee.

EVENT SCHEDULED

In addition to the pageant, to be given on the ground donated by the Convent just beyond the fire house, other events proposed during the evening's discussion included a queen contest, folk-dancing of various nationalities, concessions of all kinds, a county-wide cavalcade, and a contest among Alameda county high schools in the erection of a miniature replica of old Mission San Jose. This latter project was proposed mainly to arouse interest in the whole county over the coming celebration.

In order not to conflict with the Livermore Rodeo which will be held the second week in June, the dates for the three-day Sesquicentennial celebration have been set for May 30, 31 and June 1.

The next meeting of the committee will be held on Wednesday, October 30. More detailed plans will be outlined at this time.

TOWNSHIP-WIDE P.T.A. MEETING AT HIGH SCHOOL

Washington Union High School will be the meeting place next Tuesday, October 22, for P.T.A. officers from the various units in the township, who will assemble to hear Phoebe A. Hearst Council committee heads discuss various phases of the duties of individual unit committee heads and officers.

Many of the speakers will be 16th District officers, and, in the light of their experience, will undoubtedly give informative and illuminating talks.

All chairmen of committees and officers from all units in the township are invited to attend. The meeting starts at 10:30 and closes at 12:30.

GRAMMAR SCHOOL PUPILS ELECT NEW OFFICERS

The eighth grade class of Irvington Grammar school held its annual election of officers this week.

Class officers for the school year will be: Orbie Robertson, president; Alvin Gomes, vice-president; Ronald Botelho, treasurer, and Agnes Tacang, secretary.

SOFTBALL ASSN. HAS GOOD SEASON

A very successful season was enjoyed this year by the Washington Township Softball Association, according to Al Silvera, spokesman for the association.

In support of their contention that the people of the township have become softball-conscious, association officials point out that a total of 15,800 attended the 62 games played during the 1946 season.

Championship team this year was the Native Sons Parlor of Centerville, with a record of 27 games won and only 5 lost. Other teams entered in the race were Kleine's, Wedgewood, Mission Firemen, Woodmen of the World, Kraftile, Central Chevrolet, Westvaco and Frick's Plumbing.

The Sons were awarded a beautiful gold trophy together with gold softballs for the individual members of the team. These are in the process of being properly engraved.

DATE SET FOR LIONS CLUB CARD PARTY

The date for the big benefit whist party to be given by the Centerville Lions Club has been set for Friday evening, December 6.

A. E. "Tony" Alameda, Walter Connolly and Bob Moore are in charge of tickets which will go on sale soon.

Other Lions who are on the committee include: Jack Holland, Tom Maloney, Art Belshaw, Art Cotton, Loren Marriott, Erle Hygelund, Tom Silva Jr., Louis Cardoza, M. W. Lewis, Joe Adams, Fred Rogers, M. F. Silva, Jack Coley, Ed Rose, Manuel Vierra, Dr. Elmo Grimmer, Jimmy Collins, Kurt Suhnel, Henry Enos, Frank Katzer and Ed Richmond.

LOCAL K.C. COUNCIL TO ATTEND SERVICE

Local Knights of Columbus will participate in the district communion to be held Sunday morning at 8 o'clock in the All Saints Church in Hayward. The Centerville Council will represent this area at the annual observance. Hayward Council is host this year.

Other councils will attend from Oakland, Berkeley, Alameda, Hayward, Magellan, Contra Costa, St. Mary's College and Pittsburg.

Following the communion mass, breakfast will be served at the Club Alabam, located at East 14th street and San Lorenzo boulevard near Hayward. Rev. Pearse Donovan of Serra High School, San Mateo, will be the principal speaker.

NO DEER BAGGED BY NILES HUNTERS

Returning last Sunday from a nine-day hunting trip to Eagle Peak in Modoc county were the following Niles men: Joe Viveiros, Joe Pine, Henry Rego, Nuky Cardoza, Tom Pryor, Joe Lego, Walter Kempton, Douglas Marshall and Molly Gilbert.

Although they came back empty handed, the hunters report that their trip was an enjoyable if not profitable experience. A pack team of 20 horses was used to transport them in and out of the mountainous region in which they hunted.

Joe Viveiros reports that fishing was very good. However, the men found little time to indulge in this sport so intent were they on bringing down a deer.

Nick Lewis established a record for the season when he brought down a 3-point buck that tipped the scales at 280 pounds. Iver Paulsen returned with a 4-pointer that weighed 245 pounds.

Vegetables are pretty . . . look before you eat

Colorful fall produce lends itself to decoration as well as to menus. Use the choicest fruits and vegetables from your trip to the store for centerpieces for table, mantelpiece, buffet, or shelf before you eat them. Be sure they are firm, but not quite ripe. Wipe off the fruits and vegetables, shine them, but do not wash.

Try this centerpiece of onions, apples, wheat or dry grass and autumn leaves. The candleholders are apples hollowed out so the candles will fit, set on autumn leaves. Insert tufts of wheat in with the candles.

Here fruit is arranged in a split hubbard squash. Ivy leaves (or other green leaves) are placed around the arrangement. On each side are Danish squash candleholders.

Out of a floppy garden hat spill onions, yellow and red, carrots, squash, cucumbers, and eggplant.

EVERY BIRD GOVERNMENT GRADED—You get tender birds of young, soft meat and with full-fleshed breast. No finer-eating poultry is raised. Each graded by a government expert . . . ALL POULTRY DRAWN, DRESSED, INSPECTED—Not in the store but in a modern plant these birds are carefully plucked and expertly drawn and cleaned. All under Government inspectors who certify every bird wholesome inside and out . . . FRESH-FROSTED TO SEAL IN GOODNESS—All poultry is Fresh-Frosted right away to lock in fine eating flavor—this goodness constantly guarded by low refrigeration until they reach you . . . NO WAITING FOR DRAWING—Birds come ready for the fire. None of the usual drawing and dressing delays in the market . . . NO FEET, HEAD, or ENTRAILS IN WHAT YOU BUY—Our birds are all eating meat. Under Safeway's plan these fryers, roaster, stewing chickens, and turkeys cost little more than ordinary dressed poultry.

Thinking Things Over . . .

By VIVIAN BATMAN

The carnival is in Niles. Young boys, seeming to almost smell the canvas, were on the lot before it was hardly cleared for the tents to go up. There's something about a tent show that grips the imagination, especially in boys.

Which brings to mind a poem written by Bob Halpin of the Masonic Home in Decoto. In his younger days, Bob was in show business. As a matter of fact, he was, at one time, a very good friend of Fred Allen's. He and Fred still write to each other.

AN ODE TO THE LAMP OF ALADDIN

If I could own that Magic Lamp, and have my wishes granted,
It's hard to say just what I'd choose among so many things.
Tho my life in days of callow youth when "wild oats" were being planted
Are reminiscent of sweet thoughts of wierd nocturnal flings.

Recurrent in my memory, is "That Top" of Canvas High
Which breezes, caused to undulate, in rhythm smooth and even.
I used to think in boyish mind, it almost reached the sky
Where "The pennant" waved its greetings to that spot we'd know as Heaven.

Too, The Tanbark and the Donegan, with piquant odors scented,
Have lingered in my "nostrils," thru a life of few regrets.
Their aroma rose with pungency, mid walls of canvas "tented,"
Their return once more I'd welcome, as I would outstanding debts.

Yet all I ask is little, from this Lamp, with much to give,
And at a time, it seems that Fortune's picked, to shirk us,
It's just "that I may carry on" and in contentment live,
With those memories of Boyhood, with an Humble "Wagon Circus."

DESTINY—IT'S GREAT!

In looking over the files of a 1926 Township Register I came across this interesting item:

"In the year 1819 two babies were born whose lives were destined to have a far-reaching influence. One was born in a stern castle of Old England, the other in a humble farmhouse in New England.

"Queen Victoria, through her wisdom and kindliness during a long and prosperous reign, has become enthroned in the hearts of the British people. Lydia E. Pinkham, through the merit of her Vegetable Compound, has made her name a household word in thousands of American homes."

Dear, dear Lydia. Now I wonder who was born in the same year as the Smith Brothers. Does anyone know?

INTERESTING FIGURES

Have you noticed the interesting figures in at "Gerty's" (the Peerless Bus Depot in Niles)?

Now wait a minute! By "interesting figures" I don't mean those cute high school girls who come in for cokes. I mean the little ceramics on the shelves. They were done by a former Niles school teacher, Gleen Sweeney, and his mother. There's something about them that's different. Go in and see.

And speaking of interesting figures, a "character" approached me on the street this week who left me gasping in amazement. She was sixtyish, with close-cropped gray hair, wisping out under a cap that looked for all the world like a baseball cap. The rest of her garb—a sweater, some below-the-knee pants that could be called clam-diggers, and canvas shoes—were a symphony in summer khaki.

"Could you," she asked haltingly, "tell me if there is a Kress store in Niles?"

I shook my head and said, "But there's Cozzi's Variety Store."

"Oh," she said sadly, "it's too bad there isn't a Kress'. Mr. Kress does carry the nicest fresh eggs." FRESH EGGS!

I later discovered from someone else who had encountered her that she belongs to a cult which prohibits the wearing of any sort of leather apparel. Her shoes were not leather. Neither was her purse. She wouldn't dream of carrying a leather wallet—and as far as wearing a leather belt—good gracious, no!

Don't you meet the most interesting people in Niles?

NILES PEOPLE JUMP SMELT

A pleasant and profitable Sunday was spent by Mr. and Mrs. Leroy Gomes, Mr. and Mrs. Ed Perry and family and Ted Lira at Half Moon Bay last Sunday. They engaged in the interesting pastime of "jumping smelt," at which the group was very successful.

MISSION SAN JOSE NEWS

WITH LOIS JUSTUS

A "home coming" reception was held Saturday evening in Tracy for the Frank Gonzales Jr. who have just returned from their honeymoon. They were greeted by their many friends and relatives, among them being Mr. and Mrs. Joseph Rocha and son, Joe, and daughter, Mary, of the Mission. The young folks received their guests and served ice cream, cake and apple pie, following the opening of many lovely gifts to help them in their housekeeping venture.

Dinner guests at the home of Mrs. Lois Justus on Sunday were: Mr. and Mrs. Norman J. Kamp (the former Elaine) and daughter, Vicki, of Placerville; Mr. and Mrs. Tom Santos (the former Ruth), and daughter, Diane, of Burlingame; Mrs. Elsie Wilcox, great grandmother of the little girls; Glenn Bottenberg, A.M.M. 1c of N.A.S., Alameda, and the hostess. They were all very much disappointed for they had met especially to greet Sgt. Harley Bert Justus, just returned from Japan, who is at Camp Beale and was expected home on Sunday but his discharge did not go through. A repeat performance will be called perhaps next Sunday.

A twin birthday party was held Sunday, October 14, at the home of Mrs. Joseph Fernandez at which her 15-year-old sons, Lawrence and Clarence, were the honored guests. Many lovely gifts were received and after games and party fun, their mother served cake and ice cream to the following guests: Mr. and Mrs. Matt Whitfield and son, Matt Jr., of Centerville; Charles Boggini, uncle, and his mother, Grandma Boggini, of the Mission; Mr. and Mrs. Tom Boggini and son, Tommy Jr., of Livermore; Mary Rogers and Grace Meyers of the Mission; Gerry Fernandez, sister of the twins, Centerville; Richard, Donnie and Evelyn Meyers, Billie Perreira, John Recend, Cappy Cunha, Marie and Virginia Lawrence, Elaine Neeley, Jackie Borge and Laura Mae Medeiros, all of the Mission.

The Mission Girls' Club has been reorganized and their first meeting was held Monday evening at the home of Miss Elaine Neeley with a good number of the young folks present. They held an election of officers as follows: Georgia Laughlin, president; Elaine Neeley, vice-president; Laura Mae Medeiros, secretary, and Elaine Borge, treasurer.

The girls have many plans underway and the most important thing on the calendar is the making of small gifts to be given to the Red Cross for use in hospitals and for sending overseas in the boys' parcels. They are having a Halloween party as a social affair and are planning a very active part in the coming sesquicentennial next year.

Frank Rogers, son of Mr. and Mrs. Lawrence Rogers, spent the week-end with friends in Soquel and went dancing at Cocoanut Grove in Santa Cruz and really spent an enjoyable week-end.

GIRLS' W CLUB TO BE REDECORATED BY P.T.A.

A benefit card party is on the agenda of future plans for the P.T.A. of Washington High.

This was made known at the meeting held last week. The proceeds from this annual affair will this year be used to refurbish the Girls' "W" Club.

The event is scheduled for some time in January.

Would you be in the dog house if your house burned tonight?
by Don Herold

LAST WEEK I woke up to the fact that I was carrying only about 40 per cent enough insurance on my house.

If your house burned tonight, would you want enough insurance money to rebuild only about two-fifths of it?

Don't kid yourself about this discrepancy. Ask a contractor to give you a rough idea as to what he'd charge you to rebuild.

You'll get an answer which will probably shock you into upping your insurance.

It is utterly ridiculous to carry too little insurance, because, in my opinion, fire insurance is one thing in this country that is dirt cheap today. (*The average cost has gone down 40 per cent in 30 years.*)

What I say about home insurance applies to furnishings, too.

Also to business property. Replacement values here, too, have skyrocketed in recent years but many owners are fast asleep with their same old pre-war insurance coverage.

Ask us TODAY to help you determine your real insurance needs—it's a technical problem which calls for expert help.

On birthdays, most people think of the past. But we of Central Bank are thinking of the future. We do not know what kind of a community this will be fifty-five years hence . . . science is making such strides that the most fantastic dreams of today may well become the commonplaces of the future.

But we do know that businesses and individuals will have financial needs then as now. Whatever these financial requirements may be, Central Bank will, as in the past, provide the services and facilities to meet them.

. . . At the Peephole . . .

One of the readers of The Register claims that she skims through it every week and if her name isn't in it, she throws it in the garbage can! Unfortunately this tempestuous female didn't do anything noteworthy this week except to get a sty in her eye so we won't be able to print her name. Now if she'd had TWO stys . . .

One woman observer who was speculating on the why's and wherefore's of artist Alvin Templeman's abstract at the International Kitchen called "Three Triangles in a Dance" was heard to remark, "Why I could make those kind of marks myself!" Lady, lady, don't you know ART when you see it!

Well, anyway, they SAID they were fishing—but where were the fish? Fred Dias, Tony Maciel and George Mendonca spent last Saturday at Baldwin's (formerly Shorty Davis') near Manteca. Tony related a very interesting account of those same two fish—you know the ones we mean—the ones who got away.

Two prominent Niles couples had a very bizarre experience the other evening, at a San Jose nitery. One of the wives saw a butter knife of attractive design on the table. She had an immediate yen for same. "Isn't this cute!" she exclaimed (cute being the word all females use to express admiration for anything from a sunset to a baby giraffe.) Therewith this PROMINENT Niles woman, with admirable disregard for conventions and customs of San Jose, placed this cute little knife in her purse. But this is not the end of the story. When this PNW's husband went to pay the bill, the cashier, with elaborate sweetness, remarked, "Oh, yes, and there'll be a charge of two dollars extra for the knife." Then came the REAL embarrassing part of the situation, viz: the husband didn't know whether to pay for the knife or to ask his wife to retrieve it out of the confines of her purse! (Note. He paid.)

Some people have all the luck. CHARLES WAUHAB, Dr. E. M. GRIMMER and MATT WHITFIELD recently returned from a week-end near Elko, Nevada, with a combined weight of 620 pounds or deer meat. And with meat the price per pound that it is! Each of the hunters bagged one, with Mr. Wauhab's the biggest—at 245 pounds.

Clever little trick those Niles school youngsters were pulling last week, wasn't it? Or WAS it? It seems that some youngster learned it somewhere—probably from a judo artist—and proceded to teach the other youngsters. From all reports, you get the victim to hold his breath for 40 counts, squeeze him in just the right place—and, poof!, he passes out . . . just like that. The grapevine had it that the youngsters were lying around the school grounds like flies. Principal Bristow denies this, however, saying that actually only two girls had to be escorted home—and they hadn't passed entirely out. He claims that it is a dangerous practice, however, and that it will not be tolerated again on the school grounds. If the youngsters HAVE to perform these cruel tricks on their school mates (however willing the victims are), it would seem appropriate at this time to persuade the new teacher, RICHARD WITTKOP, who formerly coached football and taught physical education at a Detroit high school, to give them some boxing lessons. This would take care of the boys . . . and the girls? Good heavens, girls, start taking dancing lessons or something to get rid of that energy!

The innocent appearing little story that appeared in The Register a couple of weeks ago has apparently stirred up a storm of protest from an Irvington woman who insists quite vehemently that her home is NOT going to be turned into a state park regardless of rumors to that effect. Her home, incidentally, is the old Washington College, which brings nostaligic reminiscing from some of the old-timers around here who were educated within its portals... Incidentally, this may or may not be news to you, but she is said to be the same lady who used to give those mouth-watering recipes on the air under the name of Gladys Cronkhite. Remember?

Oh yes, before we forget, the lot adjoining the Niles Theater was sold this week. WHO bought it? WHAT is going to be built there? or is ANYTHING going to be built there? Wait for next week's installment of this exciting thriller.

Two weddings last Sunday brought forth raves for the LOVELY brides. The former JOSEPHINE MAGGIORA became the bride of CALVIN BURNHAM at Corpus Christi Church, and LUCILLE TOLEDO of Newark became the bride of MANUEL DEL MONTE, also of Newark, at Holy Ghost Church. The Maggiora reception at the Country Club was sumptuous, according to guests who attended.

Mr. VAN VALER, the new Scout leader for a Niles troop, was formerly with the Marines. While fighting in the Pacific, he noticed that the Marines who had Scout training had everything easier than boys who had no Scout training. Right then and there he vowed that he'd get back to America and do all he could to further the cause of Scouting. Well—now he's doing it! He is employed at the California Nursery.

B.P.W.C. PLANS HOBBY SHOW AND YULE PARTY

Several interesting events are scheduled for the remainder of the year by the Business and Professional Women's Club of Washington Township. These include a hobby show to be held at the high school on November 12, and the annual Christmas party to be held at the PG&E club house on December 9.

Plans for both of these events were discussed at a meeting held last Monday at the high school. The rest of the evening was devoted to discussion of issues coming up on the November ballot. The discussion was led by President Miss Gay Knoles.

Mrs. Josephine Morris has been named chairman of the hobby show and in charge of the Christmas party are Gertrude Enos and Bernice Nordvik. At this party, new members or prospective members will be invited to attend.

HUNTING DEER

Vernon Vargas of Decoto is included among the many township sporting enthusiasts who have taken out their trusty shooting irons to go deer hunting. He is, at present, trying his luck somewhere in Nevada.

VISITS FRIENDS

Mrs. Charles Brown of Auburn spent several days visiting friends in and around Decoto this week. Mrs. Brown is a former resident of that community.

NEW FLAG POLE

Visitors to Irvington are greeted by the sight of a shiny new flag pole that is situated in front of the fire house.

FOOTBALL SQUAD TO BE DINNER GUESTS

Once again the W.U.H.S. football squad will be guests of the High School P.T.A. at a football dinner.

Tentative plans for this annual event, which is looked forward to by the boys and P.T.A. members alike, were made at the last meeting. No definite date has been set, but it will be held in early December.

HAS OPERATION

Mrs. Edward Goulart of Decoto recently underwent a major operation at Peralta Hospital in Oakland. Her many friends will be elated to hear that she has returned home and is recovering as rapidly as can be expected.

GRAMMAR STUDENTS PLAN EXCURSION

In order to develop a greater interest in serious music, the eighth grade class of the Irvington Grammar School is planning an excursion to San Francisco on Thursday, October 24.

The class will be afforded the opportunity of hearing a symphony orchestra perform. Several compositions by famous composers will be played by the orchestra in a program known as the "Standard School Broadcast." The program will be aired over the National Broadcasting Company.

Serving on the committee which will handle details for the trip are Alvin Gomes, Charles Wood, Martha Betschart, Andrew Costa, Lamont Fox, Agnes Tacang, Beatrice Albert and Joan Pearson.

Here's California's Answer to Apathy, General!

California has the answer to apathy, General!

Proposition 2 will give the veterans of this State an assistance program second to none, supported NOT from legislative appropriations, NOT from new taxes, but from A GUARANTEED PERCENTAGE OF THE PROCEEDS OF STATE-SUPERVISED GREYHOUND RACING.

That makes sense to us, General, as veterans and as taxpayers.

Vote 'YES' on 3!"

Proposition 3 will relieve the teacher famine in California by guaranteeing public school teachers a minimum salary of $2400 a year. *Local taxes will not be increased by this measure. State funds are available for this purpose.*

Two hundred California organizations, including the following, urge you to vote **"YES"** on **3**—Republican and Democratic Parties, American Legion, Veterans of Foreign Wars, Disabled American Veterans, AFL, CIO, Native Daughters and Native Sons, and P-TA.

And remember — when you vote "Yes" on 3, be sure to vote "No" on 13, which would further reduce present inadequate school appropriations.

NILES BURGLAR FAILED

It isn't only wives who go through the trouser pockets of the man-of-the-house after he is asleep. Quite often the trouser pockets are of interest to other classes of humanity, namely burglars. Burglars, unlike wives, who, in addition to loose change, look for such things as love-notes and lip-stick covered handkerchiefs, have only one purpose in mind when they excavate in pockets. They want money—and more money.

One burglar in Niles, however, was sorely disappointed this past week. He was in the Boyer home on Third street, Niles, systematically going through Mr. Boyer's pockets, when, much to the burglar's disgust—and just as he was about to lay hands on a nice roll of green-backs—Mr. Boyer had the effrontery to wake up! He sat upright in bed and stared menacingly at the burglar, who forthwith dropped the trousers and made a dash for the nearest exit.

Boyer donned the above-mentioned trousers, first reassuring himself that nothing had been stolen, and dashed out after the burglar, who was nowhere to be seen.

He is still, so far as authorities know, still at large. It might behoove Niles wives, therefore, to take cognizance of the fact that there is a pants-pocket thief on the loose and that they'd better "protect" their husbands by seeing to it that he has none of that "filthy lucre" in his jeans.

The installation ceremonies were under the direction of Mrs. Ethel Foster, advisor of the Oakland Club, and Mrs. Miriam Phillips, advisor of the Richmond Club, assisted by a team of installing officers chosen from the three clubs. Miss Patricia Mohn of Niles, past president of the Niles Club, was one of the installing officers. Miss Barbara Neighbors and Miss Audrey Vestal were installed as president and vice-president, respectively, of the Niles Club.

Richmond Rebekah Lodge was hostess for the evening, and the girls had a lovely time. The theme for the evening was Halloween, and it was well carried out. Speeches were made by the advisors and the girls, and also by Mrs. Lorena Westover, member of the Board of Control, of San Francisco, and Mrs. Lyllis McClain, advisor of the Concord club. A short program was rendered which was well received, and delicious refreshments were then served in the banquet hall.

NEW OFFICERS FOR CONGREGATIONAL CHURCH

New officers for the ensuing year were elected at the annual church dinner held last Thursday at the Niles Congregational Church.

Mrs. Joe Shinn Jr. was re-elected to the post of clerk. Dr. W. F. Lamoreux goes in as the new trustee, replacing Bain Leask, and Mrs. Galvin is the new deaconess and Walter Chrysler the new deacon.

MODELAIR NEWS

In order to encourage hospitalized veterans to take up constructive hobbies, Southbay Modelairs are planning a trip to the Veterans Hospital at Livermore on Sunday, October 20. The club hopes to have at least 12 planes on hand to fly.

A large crowd attended the flying meet which the group staged at Washington Union High School last Sunday. A total of 10 planes were on hand to thrill spectators.

An obvious indication of the interest that women are developing in model planes is the fact that Mrs. Gene Buker has joined the Modelairs. She completed a Short Snorter several weeks ago and flew it at the Centerville meet—the first woman in the history of the club to do so.

Mrs. Wesley Sears is another enthusiastic feminine member. She is also constructing a plane which she hopes to complete in the very near future.

The cost of food has jumped sky-high since the pre-war year of 1939 but the cost of preparing and cooking that food at home with gas or electricity has not gone up ...it's gone down. The costs of clothing and home furnishings have jumped 'way up, but the cost of gas and electricity to launder those clothes and clean your house is cheaper today than in 1939. In fact, most everything you bought for $1.00 in 1939... now costs you $1.35, $1.40 or more. But the average cost of GAS for home use has dropped 33 per cent and the average cost of ELECTRICITY in the home has gone down 16 per cent since 1939.
